

# BATH WASTE & OVERFLOW TEST KIT

Improved Test System

Dearborn Quality

Decorator Finishes

## FEATURES

- New overflow elbow design offers excellent performance for air or water testing.
- The elbow comes preassembled with a yellow test plug and blue mounting cap inserted and ready for performing test.
- Specially designed faceplate and test system prevents the inadvertent installation of the faceplate over the test cap, preventing unnecessary callbacks.
- Thick blue washer is easily adjustable, fitting most tub sizes.
- Orienting grooves so the faceplate cannot spin.
- Captive nut on Phillips head screw, so it cannot fall into tub drain.
- Comprehensive installation guide provided with every kit.
- IAPMO approved.
- Simple, rapid installation requiring only a Phillips Head screwdriver.

# Trim Kits and Rough-In Kits

## TRIM KITS

Decorator Finish Trim Kits include a colored spud along with coverplate, screw and stopper.

Chrome Trim Kits include coverplate, screw and stopper.
